He was an amazing person will always hold a very special place in everyone's hearts. Record rain fall on the day of his sad but beautiful service heaven really opened up to allow such a wonderful man in. I love all of you very very very much. Best dad in the entire world. He will be forever missed.

“ Dear Chrissy & boys, I hope this message finds you. We moved out of the area a few years ago, and we weren't aware Dan had passed. Michael was back in SJ over the Thanksgiving weekend, and just found out. Eric and I, as well as Michael and our other sons, are shocked and terribly saddened by the news. Dan was one of the nicest dads in the St. Peter's Parish community, and Eric and I remember having wonderful talks with you both, during basketball season, as well as at the Pennsauken pool. We are holding you up in prayer now, as grief has no timeline. May your memories and the love you shared sustain you, and may he remain close in your hearts, as he rests in eternal peace.

“ To Chrissy, Matthew, Danny and Diana, there aren't any words to express the deep sorrow I am feeling for you. My love and thoughts are with you, and I wish with all my being, you did not have to live this completely devastating heartbreak.

As we all know, Danny was one of the best people ever to grace this world. But for our family, he was never just a friend. He was so much more. He was a true, genuine brother, uncle, godfather and the recent role of a cherished, beloved father figure. We could not have gotten any luckier to have Danny accept being Brett's godfather. It was a role that Danny filled with honor, respect and a tremendous amount of love.

To lose first Joe and now Danny leaves a huge hole not only in our hearts but in this universe in which that hole never can never be filled.

On behalf of Joe, Christopher and Brett, we are sending all our love.
