“ *Dee, ima miss you girl. We've known ea other for over a decade but over the past few yrs we became closer, hung out more n our girls played together. You sure did love Disney and taking trips there with Carson and your family n ud tell us all about it when u got home. You always knew how to make someone's day better no matter how u were feelin, n you always would come over with Carson so her and Ariel could hangout even if it just was for them to run up and down my block it didn't matter as long as the girls were happy and having fun. This is one photo I hv of us from last summer during our many trips to the beach it was a fun day n I will nvr forget it. Your now back with the love of your life n I pray ur no longer in pain & that u n Josh both look over your daughter and send her signs that ur up there above watching over her together. I lu girl it will nvr be the same. Rest Easy until we met again another Angel taken to soon.*
