“ *I was very young when Darlene moved in next door to me. She was the first girl I fell in love with. Boy oh boy she fights me and my brother used to have over her. It was easy to see why. She was very sweet and kind and a life long friend. I had to move away and lost contact for many years. I was so sad. Darlene grew up and had it tough at first but we met back up and her hubby Walt was so so in love with her. She couldn't have married a better man. I love you Walt and my prayers are always with you and your family. I was heartbroken but Darlene is now with God and at peace. I will dearly miss her as everyone will.*

*Dar, I am so sad this happened to you so fast. To me you are a very strong person I could really talk to..And nothing ever shocked you. Then no matter what the situation you were always able to make me laugh. I will deeply miss you always. Love Karen*
