

Darryl C. Phillips

August 11, 1953 - August 24, 2014

Darryl C. Phillips passed away suddenly on August 24, 2014 in Lancaster, PA. Born in Philadelphia, Darryl was 61 years old. He was a life long resident of Cinnaminson. Darryl was employed as a property appraiser for PPA of Delran for the last 20 years. He also was employed by Millstone Township.

“ Growing up right across the street, Darryl, like his brothers and sister, will always be part of my most remote childhood memories.

To those for whom Darryl was most special, I hope you find yourself surrounded by family and friends and that this will help you through these difficult of times.

“ My condolences to Darryl's family. Many great times in high school. Darryl was a brilliant, funny guy and full of life. We once passed 80 plus cars on the way to the shore in his cougar while listening to old Motown tunes .. hell of a car and hell of a ride and hell of a guy! Rest in peace my old friend.

“ Jane, and girls i cant tell you how much Darryl meant to us all. I worked with him for a long time but valued his friendship more than anything. Darryl has been taking me to doctor appts lately and we shared our doctor stories. I will never forget hanging out at the bar at the old house, but thank god i have those memories. In short, the world will be a little dimmer now. I can truly say that he was one of a kind and will be missed by us all.

“ Darryl had the gift of laughter and shared it with everyone he came in contact with. He loved his family, friends and life. He could win anyone over and if you are reading this- you know what I talking about. Darryl was a great husband, father, and friend. Over the past 25 years, DP and I had a long working relationship - but our friendship was what really mattered. We had many, many good times together both in and out of work and they always began and ended with laughter. Darryl always remembered quotes/sayings from people we used to work with. He also had nick names for people we worked with and his friends- like Dave aka Fifty Cent. So, in the words of Al Clayton - thanks for everything Darryl!! I love you buddy and I miss you already- Buffy.

“ My favorite cousin, he teased me mercilessly when we were kids, but in a good-natured way. I will always remember all the fun times - he was definitely one of a kind! Deepest sympathy to Jane and the girls, and Dale, Randy and Don - I know you all have a huge hole in your hearts and I do too. Prayers for your healing. God Bless.
