“ I first met "Dave" in 1972 when my career with Delta Air Lines began working on the ramp. I can never forget him as it was he who rode with me on my first tug drive. I am so very much appreciative of his instructional advice and his sharing of his wisdom. I will never forget him for this impactful time(s).

“ Dear Family:

It was just about 3 years ago I met Dave through a mutual friend from Delta.

We were invited to share a July birthday celebration at Kim's house. As it turned out, Dave retired from Delta two months before I started there.

He is such a kind and caring person and I am sorry that I hadn't had the opportunity to work with him. He told me about the time he visited his son in Chicago and rode the METRA train with him. We had many laughs and memories of shared experiences at Delta. I know you will miss him; but be comforted in knowing he has given you a wonderful love and appreciation for the good things in life. May God give you warm and loving comfort at this difficult time.

“ *I am so sorry to hear of my uncle's passing. I am still in shock since I just saw him acting extremely happy/goofy at my moms surprise 80th, which I have never seen and very glad he attended. I will always remember his smiles and holiday/Sunday dinners at my moms house when I was younger.*

Love you always Uncle Dave!

“ Dave was our neighbor, we are the next block over, but saw Dave frequently as we walked our dogs past his home. Always a kind word and conversation about dogs or cars. I knew that he loved Corvettes as he had a beautiful silver vette he kept stored in a garage next to his house. He also shared that he had an old hot rod in the garage he was planning to put together, I hope he did. It seemed special to him. Dave used to sit out front in the mornings before work and feed the few turkeys we often see in the fall. Squirrels also!

We will miss seeing him.

“ I am truly going to miss Dave. We spoke on the phone often and if he didn't call back after I left a message I'd yell at him. He'd say don't yell at me, I'm sensitive and we'd laugh. We had hoped to visit soon since hubs and I moved to DE. Until I see you again, rest well my friend. Condolences to David and the rest of the family. Deborah and Richard Dallatore
