“ *My father David G. Moitozo was one of the nicest, most caring, most devoted Husband and Father the world's ever known. He would do anything for his family and was loved by everyone. I never heard a bad word spoken about him. He was a great man. I can't wait to see him again with my entire family when we join him with Jesus Christ and the Saints.*

“ Knowing Mr. Moitozo my whole life, I can't even count the numerous, fond memories of his kindness, his humor and his love of his family and friends. While he will be sorely missed, he will always be remembered as a great example of a loving husband, father and role-model.

“ So sorry to hear of Dave’s death. He was quit a wonderful guy. I served on the board with him for many years. He even installed a new shower head when my husband had Parkinson’s disease. My deepest sympathy to you Terri and your family.

“ We were so lucky to move into the Ashley Crossing Community while Dave was still the head of the HOA board. He and Terri welcomed us with open arms and helped us in getting acclimated to our new neighborhood.

Our hope for his family is to remember all the wonderful times you shared with Dave and that those memories will comfort you and help you through these difficult days!

Much love from Bobbi and Al Fo

*By the time we moved into Ashley Crossing, Dave was already ill and we came to realize what a special person he was through the love and respect everyone expresses about him. We wish we could have known him better. Tom and I pray that your wonderful memories about Dave as a husband, father and friend sustain you during this difficult time.
