“ I've known David from first grade through adulthood! Was his best man at their wedding. Many Tigers ball games , my first Piston's game . Spartans basketball and we played several games of euchre! Of which many decks of cards were ripped up by MOGAN! Dave's nick name for the taste of wine 🤔 He will truly be missed by many and especially by me ! His smile and witty sense of humor will be forever with me ! Love ya MOGAN!
