“ *Debbie, you were a wonderful neighbor and friend to me and my family for 23 years. We will fondly remember the times we shared; and your gently way, quick wit and mischievous laugh. Thanks for the memories; you sure will be missed and never forgotten. So long dear friend, see you again someday.

“ *My mom was a great woman and the best mom I could have asked for. She was my best friend and was always there for me to support me in anything I needed. She will be very missed and life won't be the same without her. I loved her so much.*

WE

“ *Deb was the love of my life, my partner, and my best friend for close to 50 years. Like anyone, we had good times and bad times. The good times were filled with smiles and laughter. In bad times, she was always my rock and trusted adviser. Through thick and thin we always put each other first. She loved all of our family and friends dearly and loved visiting with them. She was such a good mother to Courtney. I always credit Deb and her guidance for shaping Court from a child to the wonderful adult she is today. I loved watching the two of them together as they changed from a mother and daughter relationship to friends.*

I already miss my wife. I miss her smile, her touch, her voice and her love. Life will never be the same without her.

“ *I remember meeting Debbie for the first time, not have growing up together, thinking how much she looked like our mother. I'm glad we finally got to meet and know more about each other, only wish could have had more time to spend with my little sister. The time I did get, showed me she was a fun and wonderful person. I will miss her.*

“ I'm so grateful for our many years of friendship. Debbie is the best role model of what a true, loving and supportive "sister" friend is. And without a doubt, the best margarita and lobster buddy ever. I will love you and miss you always.
