“ *"A true friend is never truly gone. Their spirit lives on in the memories of those who loved them."*  
*I will never forget all the good times we had growing up on Mower Street. I have the best memories going to dances, concerts (your father drove us and picked us up from the Spectrum), the shore, Spain in 72, hanging out in Marks house or garage and so many more I can't put them all down. I am forever grateful for having you and your family in my life. My thoughts and prayers are with you all and may you Rest In Peace. Love you forever. ❤️*

“ I just learned about Debbie's passing.

*I had the pleasure of working with Debbie at ASO, NAVICP and NAVSUP-WSS. During that time, I got to know her and her habits very well. It was with great love and admiration that I would imitate her at various social functions. I loved making her laugh!*

*My thoughts and prayers are with her family.*
