“ *My heart goes out to Jess, Melissa, Diane, Donald's father, and his many friends. I will always remember first meeting Donald at the library in elementary school. He was a GREAT guy, and always went out of his way to make me feel comfortable in social situations I may not have been otherwise. And I definitely do remember him and Jess singing A Whole New World at the talent show! Diane told me not to tell anybody that he did it because he would have been embarrassed, but I was there. Rest in power Donald! You will be missed. -Bobby*

“ *I became apart of the Fickes family when i was 5, my apartment was above the Fickes's. I grew up with them, Donald was my brother, he always made me laugh, helped with my iPod, when i had no clue how to put music on it. He always lit up the room with he smile. I will always remember your smile. Rest In Peace Donald. Love Nicole*
