“ I am saddened to hear of Don's passing. He was one of the kindest and most even keeled customer that I had the pleasure of knowing. He and Pat will always live on in our hearts, and as reminders of how to live our lives in the correct way.

“ I was so sorry to hear of your Dad's passing. I saw him a couple of years ago, not, long after he lost your mom. He seemed so sad and lost without her. I know they are at peace with each other once again. I have so many wonderful memories of both your parents from as far back in my childhood as I can remember. We were so excited when you moved in down the street from us in Edgewater Park before Mitchell was born. So many good times together. Know you are all kept close in my heart. Today and always.
