“ *Dong was one of the last of his kind. A cool no nonsense guy that was smart and generous. I worked with him and what I remember most about his character is that he never quit. He could fix ANYTHING! Even if it meant re-engineering a unit to make it work. Although Dong the worker can never be replaced, I miss Dong the man who was my friend more. He was a great man that will never be forgotten.*

“ *I had the pleasure of knowing Dong through our workplace, Test Technology. I worked in payroll and HR. He was one of the best workers and a very kind man. His work ethic was to be admired and he was missed when he had to depart due to illness.*

*My deepest condolences to the family and I wish you peace knowing he is free of the pain he had to live with over these last months.*
