The minute I met Donna I knew there was something very special. Words can't explain the wonderful positive energy this lady had. May God protect her family as they go through this difficult time. God Bless Pat and Bob Morton, but I know that Donna is now with them forever as their guardian angel. Warmest regards, Denise, Jim, Jimmy and Jenny Walsh xo

“ I had the pleasure of speaking with Donna on the phone for many years. I was a client and we quickly became friendly. She was so bubbly and had a great attitude. I had no idea she was suffering from cancer until I told her that my teenage daughter had a rare cancer and the prognosis wasn't good. Donna and I talked about her treatments and my daughters treatments. She even reached out to me when my daughter passed away two years ago. I'm so sorry for her family's loss. I made a donation to cancer research. Again, please accept my sincere condolences.

“ I had the privilege of working with Donna at Triboro Family Physicians in Cinnaminson. Donna was always such a positive personality in the office. Often speaking of her family and how proud she was of her son Patrick. I recently met Pat as he is now a patient here. I wish I had the opportunity to tell Donna what a fine young man is. Bob and Pat I was so sad to here about Donna's passing. She was always so positive during her fight. Such a brave woman. Donna will be missed.
