“ *To the Capano family, our deepest sympathy for the loss of a woman who truly loves you all. It was our privilege to be related by marriage, and therefore able to know Doris. She will be missed, but her legacy lives on in all of you. Your photos here are wonderful and show a devoted woman, wife, mother and grandmother. May your memories carry you through this rough time, and your hearts be full of the love you all shared and will continue to share. God Bless. Love, Patty, Tom, Tony and Matt Bersano*

“ I am so glad that I got to know Doris these past few years. She was a lovely, gracious lady who loved company and always made you feel welcome. We had many laughs together and the answer to the question she always asked me is still "NO". May the memories of times shared bring comfort to all who knew her. Dotty Berner
