“ Dear Aunt Doris, I was an eight year old little girl in 1968, when I lived with you & your lovely family. You were so kind, so soft spoken, and such a peaceful beautiful face. I experienced a peaceful fun loving family life for the first time and this was lasting memories that I carried with me, and this experience changed my life as I learned that I wanted and I chose to have a family life, like the one Aunt Doris so graciously shared. Recently Dec. 2023, over the phone you shared lovely stories of how you met uncle Sam, your bridal shower, Wildwood N. J. days, Granmom Sperduto, amazing detailed memories. Thank you for sharing, Love your niece Tricia McHugh
