“ *Dear Billy and family,
Nothing I can say will ease your pain at this time, but know that your Mom was a wonderful strong and loving person. She loved you so very much Billy, and as time passes you will be able to smile and even laugh at the memories you have of her. In between my tears I have been able to smile a few times of the antics my Pal and I did. Your Mom enriched my life and for that I am truly blessed. God Bless You.*
