“ *Dot was a passenger on my Woodbury Heights bus. Dot was always there go anywhere, just wanted to be out with people. On Tuesday December 30TH, Dot was in Shoprite when I seen her last, I called her name and when she turned around her smile was huge. This is how I will always remember her. She was so excited about the new baby girl. Also when Dot said she was praying for you, that was real. Now we pray for her. No doubt in my mind, Dot is with her precious Marty.*
