

Dorothy G. Kristjansson

December 23, 1957 - March 6, 2026

Dorothy Saerun Gasper Kristjansson passed away peacefully at home with her family by her side after courageously battling COPD for many years. She was 68 years old.

Born in Keflavík, Iceland to Robert and Gudborg Gasper, Dorothy lived a life centered around family and resilience. She had previously lived in Browns Mills, Eastampton, and Westampton, New Jersey before residing in Delran, New Jersey for the past eight years.

Dorothy was the beloved wife of Olafur Kristjansson. She was the loving mother of Kristofer Olafsson, Daniel Kristjansson, and David Kristjansson. She was a proud and devoted grandmother to Oliver, Benedict, Dafney, Theo Stander, and Henning Danielsson. Dorothy was the dear sister of James Gasper.

An accomplished gardener and devoted animal lover, Dorothy was a dear friend to all who knew her. Before her health failed, she enjoyed caring for her home and spending time outdoors tending to her gardens.

Most importantly, Dorothy cherished spending time with her family, who were the center of her life.

Abiding by her wishes, Dorothy will be cremated and services will be held privately.

“ *My sympathy, thoughts and prayers are with Dorothy's family at this time, her sons and grandchildren and extended family and friends.*

My love and sympathies to Vince, great friend and later caregiver to Dorothy, they supported each other through thick and thin.

I've had the pleasure of knowing Dorothy for years now, both when she was active and healthy and through her illness. Life definitely presents many challenges; I truly admire Dorothy's ability to handle everything with humility and grace, no complaints or judgements. I loved hearing her stories about growing up in Iceland, her love for her family, children, grandchildren, friendships and work, home, flowers, plants and pets. Dorothy was a very intelligent person, a lover of reading and knowledge.

I will miss you Dorothy and I am so grateful for our friendship. Rest in peace my friend, job well done.
