“ *My wife Michelle and I send our condolences to the family. We are so sorry to hear of the passing of Drew. We were co-workers of Drew from the U.S. Postal Service - Bulk Mail Center in Philadelphia. Our memories of Drew were of a fun and joyful guy. We knew that he was a big Philadelphia sports fan. Drew was the photographer for our Wedding 20 years ago. He did such high quality work when it came to photography. Drew will always have a place in our lives. We will miss you my friend.*

“ I met Drew from Kathy and Danny. Always had a smile on his face. Such a happy care free guy. We had such fun at softball games, camping or just hanging out at Mr and Mrs Nobels house. Now he is in a better place and singing and dancing with the other angels. God bless the Noble family during this tough time. Love always, Cindy Patton-Walker.

“ Drew I remember like yesterday the first time I met you We were going to a concert, your driving, I was in the backseat and I harassed you about my best friend Betty. I informed you that my friend was not going out with a postal stalker ! You laughed so hard. ( "Stalker" cause you sent her roses after the first DANCE .) You found the light in Betty's eyes. I of course continued to harass you through the years. My time with you was always fun and positive. You even put with my late night text that Betty would read to you. You knew exactly where I was ! Look for me one day while you are standing against that Jukebox ... I'm buying AND we are dancing. For now, rest peacefully you deserve it. You have a beautiful family and I will always be there for Betty. XO Chris

“ *Drew always had a smile on his face, and knew how to get a party rolling! He was a nice guy and a good brother-in-law. And especially a great husband to Betty, besides being there for all of his kids. He and Betty had a special bond--and she gave him so much to live for--before and after his illness. We miss you Drew--but we know you are getting the party rolling in heaven now!! xoxo*

“ *George, Ruth, Kathy, Dawn and Denise, I am so very sorry for your loss. I remember 'uncle' Drew fondly from the many Bispel's family reunions and various backyard BBQs. . . I have a clear image of him bouncing around with a camera and laughing out loud. He was an inspiration - teaching us kids to both keep life fun and march to our own drum.*

*I'm sorry that I can't be there in person to show my support and honor his memory. Know that my thoughts are with your family in this difficult time.*

“ I met Mr. Nobel my freshman year of high school when Caitlin moved here from Arizona. Immediately both he and Betty were very welcoming. I used to love hanging out there and then usually ended up sleeping over. We would play games in the pool, go in the hot tub, play horse shoes, usually end up singing some kind of country song around the house, they ALWAYS had lunch meat to eat when we would come back hungry from wherever we were, and he would always make us breakfast in the morning! The best would be during football season; we would wake up to the smell of some sort of breakfast meat cooking. When we walked downstairs, Mr. Nobel would be decked out in his Eagles chef attire and would make us green eggs. He was also the first person who taught me the "rules" to bowling; he yelled at me when I tried bowling at the same time as the person next to me ha ha. Needless to say I never did it again! These are just a few of the wonderful memories I have of him...

Mr. Nobel always took on the father figure when I was around; I always felt welcomed and comfortable in his presence. His sense of humor, singing/dancing, and smile will be missed by many. I want to thank him for his life and always treating me as his own. As I'm sure many would say the same, I am very fortunate to have met him and to have had him in my life. You will be missed.

Love,  
Maria
