“ *Steve, Steven, Becky and Family,
Our hearts are broken with the news of the passing Earleen. She was such a supporter of you guys and loved watching you play hockey. With that said we are all still so close 20 years later. This really hits home as I lost my mom a few years ago. If you ever need to talk I am just a phone call away. Steve I know how much you cared for her as you dropped everything to take such great care of her. I will see you all Monday and know Earleen is so proud of you all.*

“ *Steve and Earleens family, Linda and I were deeply saddened when we learned from Steve she had passed. I enjoyed working with her for 17 of the 35 years she was with us at Oki Data. I truly remarkable lady with only good words for all. I know she will be missed by many and she will always have a warm spot in my heart. God bless all of her family please.*
