

## Dr. Edward J. Brill

July 24, 1930 - January 16, 2024

Dr. Edward Joseph Brill, a cherished member of the Cinnaminson, NJ community, passed away unexpectedly on January 16, 2024, at the age of 93. Born on July 24, 1930, to the late Walter and Frances Brill, he was a devoted husband, loving father, grandfather, and great-grandfather.

Dr. Brill was the devoted husband of the late Camille M. Brill (nee Soltys) for 60 years, until her passing in 2015. He leaves behind a profound legacy through his children: Cynthia B. (Leroy) Livingston, Alicia M. Brill, Camille M. (Walter) Parr, Christopher E. (Jennifer) Brill, Jennifer M. Brill, and Vanessa M. (Jason Gray) Brill.

Loving grandfather to David Livingston, Rachel (Carl Odell) Livingston-Odell and family, Brian (Lindsey) Livingston, Stacia Wompierski, Melanie (Loren) Parks, Andrew (Grace) Parr, Christopher (Nikki) Parr, Jennifer Parr, and Stephanie Parr. Great grandfather to Nicholas Hinnershietz, Leila Livingston, Stella Parks, and Nova Parks. He was predeceased by his siblings; Leon Brill (Bonnie) and Theresa Danko (Charles).

A distinguished veteran, Dr. Edward J. Brill proudly served in the US Navy from 1954 to 1960, achieving the rank of Lieutenant Commander. His commitment to service extended to his grandchild Andrew and great grandchild Nicholas who, following in his footsteps, both serve in the military. Moving to Cinnaminson in 1961, Dr. Brill and Camille became the original owners of their family home, where they raised their six children. Dr. Brill's medical career was marked by pioneering dedication. Graduating from the

first class specializing in Oncology, he navigated uncharted territory being asked to contribute to the first oncology textbooks by editing professors' lecture notes.

His compassion and kindness toward patients were acknowledged throughout his career. Post-retirement, he maintained his medical license, attending continuing education and medical conventions, reflecting his enduring passion for knowledge.

Beyond medicine, Dr. Brill embraced diverse interests. In his 60s, he undertook the formal study of Polish, an ancestral language learned in childhood by both he and wife Camille, reaching out to connect with linguistic experts when his questions stretched beyond his textbook. A lover of music, he filled his home with an eclectic array of music awakening his children to Beethoven's fifth symphony and rocking the house with Neil Diamond's Sweet Caroline.

Passionate about education, culture, and the arts, he and his wife instilled these values in their children. Dr. Brill, an avid golfer and lifetime member of Riverton Country Club, shared his enthusiasm for the Philadelphia Eagles, tennis, and winter sports, fostering family outings on the ice along with raucous toboggan rides.

Together with Camille, Ed explored the world, from Russia to Greece, Spain, and Turkey. After her passing, he found solace in daily mass and visits to his wife's resting place at Lakeview Memorial Park.

Dr. Brill's humor, warmth, and indomitable spirit left an indelible mark on everyone he encountered. Friends and relatives are invited to celebrate his life at St. Charles Borromeo of Cinnaminson on Friday, January 19th, at 10:15 am (EST). The funeral mass will be live-streamed at <https://www.viewlogies.net/givnish/UyrJTpaPI?pin=691511> . Burial and military honors will follow at Lakeview Memorial Park in Cinnaminson.

In lieu of flowers, the family requests donations in Dr. Brill's name to St. Jude's Children's Hospital, [Stjude.org](http://Stjude.org)

“ READINGS OF REMEMBRANCE

*From "Facts of Faith"*

*By Henry Scott Holland*

*Death is nothing at all. It does not count. I have only slipped away into the next room. Nothing has happened. Everything remains exactly as it was. I am I, and you are you, and the old life that we lived so fondly together is untouched, unchanged. Whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Life means all that it ever meant. It is the same as it ever was. There is absolute and unbroken continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am waiting for you, for an interval, somewhere very near, just around the corner. All is well. Nothing is hurt; nothing is lost. One brief moment and all will be as it was before. How we shall laugh at the trouble of parting when we meet again!*
