“ *I am so sorry to hear of your Dad's passing. Ed was one of the sweetest, nicest guys. He was always laughing and having a good time at all the family gatherings. Wherever there was a crowd you knew your Dad was in the center, he just attracted people to him. He will be missed. The world needs more like him.*

“ One of the greatest gifts my Mother and Father gave me was my brother Ed.

Losing Ed suddenly with so many unanswered questions is difficult to understand why. Before my eyes he grew weaker and weaker everyday until God took him away inspite of medical treatment.

On Friday, with a heavy heart and tear filled eyes, my family and I will be saying goodbye to Ed. However, by sharing memories and photos of him he will live forever in our hearts.

I am grateful that Ed was a part of my family and I am honored to be his sister. Until we meet again I will love and miss him dearly.

Thank you Mom and Dad for giving me my brother Ed.

“ *I remember the first time Eddie brought Toni back to the house for an evening swim. She had on a 2 piece bathing suit and I remember thinking what a great body (large bust) Toni had. Pretty soon after that they got married. They were made for each other. All my love to my other family! Nedra*
