“ My deepest sympathy to the Parker family. Working with Ed for nine years was one of the best things to happen to me. His mentoring and confidence in me allowed me to have a successful business career. To him I will always be thankful. While working with Ed I got to know the Parker family of which I have many fond memories. I will miss Ed's unscheduled visits; he would drop by when he was in our neighborhood doing an appraisal. Ed loved his family and was very proud of them, that was always evident in our conversations. Sincerely, Sandi Stark
