“ Carol & Family, My deepest condolences to you and family. Because of time and distance we haven't seen you much over the years. I just found out about Ed's passing last week and I'm still in a state of shock. I have so many good memories going back to our days at Dubrow/Teledyne. We worked hard but still found time to play hard and Ed was always the leader of the pack. I never knew Ed to have a frown on his face; never heard him say anything mean about anyone; and always had a smile on his face. I truly loved him like a brother. I just feel so bad that we didn't spend more time together over the years. I am so saddened by Ed's passing but happy that I knew him in life. God bless you and your family. “ Dear Carol & Family When I read your email, I simply could not believe it. I shocked very deeply. Whatever I say is not enough, I don't have any words for Ed to express what I and all of us will miss in days to come. We pray God to give all of us strength and courage. We spent few years working for/with him, but he is never like a boss to us, he's like our family member. He always supported and care for us. We love to share our food with him and he always loved our food. We very often remember and talk about him. I remember when I left him and moved to CA, that was my very sad day and will never forget the moment. He is such hard working guys who never stops and take a deep breath. I always seen him smiling and talking and as an energetic young man. He gave me inspiration, strength and love. He was the kind of person that would make everyone laugh so hard that they'd end up crying. He left love & so many sweet memories in our heart. We'll forever be grateful for spending 7 years of my life with Ed. All the memories we have shared with him will forever be cherished and remembered. Ed, you'll forever live in our hearts. I'm sure we will meet Ed again. We will all meet Ed again and he'll make us laugh in tears again.

“ I know Ed and Carol from doing business with them over the years. I've often said 'if we had more customers like Ed and Carol, this business would be a lot more fun!' Because they always treated me like family. And that is not something I ever took for granted. Ed loved to tell stories, and I loved listening to them. Ed had a terrific sense of humor. He was a good customer, and he was a good friend. I miss him already. Carol, kids, God Bless.

“ Carol and Willard Family. My sincerest condolences to you and the family. It's been many a year since I have seen or talked with Ed, (my cousin) as I moved to Tennessee and now North Carolina many moons ago. Ed's father and my father were brothers, and Ed and I used to spend many hours playing together when we were youngsters when I still lived in Riverside. I am saddened by his sudden passing, and my prayers go out to you and the family during this time of sorry. Most Sincerely, Bob Willard, Hampstead, North Carolina

“ Ed and Carol along with their great employees including many of their family members have been not only wonderful suppliers and a reason for many company successes, but they are down to earth good people. I'm still stunned from today's services and it's surreal and unbelievable to know Ed is gone from this world. He will be remembered often in my heart, thoughts, and prayers. Our condolences to Carol and her family and friends.

“ I'm so sad to hear of Ed's passing. My girls went to school with Blake, but I knew Ed best from Josh & Molly's, when he and Carolann would stop on Fridays after work. We had a great time there, Ed and Carol were so much fun to be around. Though I haven't seen them in a while, they left a pleasant mark on my heart and memory. God Bless you Ed, your a good guy, rest in peace buddy. You will be missed.

“ Uncle ed, you were the most witty, smart, intelligent and loving man I've ever had the truest honor to know. Even though I never expressed in words how much I admired and looked up to you, I did. No other man gave me the hope and inspiration to pick myself up and keep pushing. Your love and legacy, and of course wry grin will always be with me, with love from Tammy, Jeanne, and Michael, show them angels how to dress!
