“ Dad,
My first love. . . forever in my heart. There is nothing that I would ever have changed about you and our relationship. You were the most beautiful, humble, giving man. I will miss you every moment yet I am happy for your peace in paradise. Rest easy, no one deserves it more.
Thank you for everything, especially "the book". I have learned so much from you and will continue to strive to make you proud everyday.
We will take good care of Mom and each other.
Until we meet again my angel. . . so much love Daddy
xoxo
