“ *Eileen was our friend and neighbor on Sunset Place in OC. She was witty and loved a good laugh. Eileen was a kind, loving person, often generous to a fault. We count ourselves lucky to have known and to have had Eileen for a friend. May she rest in the peace and comfort of the Lord.*

“ *Eileen and I only knew each other for 10 short years but it feels like we were friends forever. She was family to me, knowing more of my life than anyone else. We laughed, cried and talked daily. Ei was kind, caring, wise, funny and would have given you the world if she could. There were so many times when she was ill, or anxious that I just wished I could have wrapped her up and keep her safe. I hope the family knows what a blessing she was and how much she was loved by others. I will miss her always and cherish the times that we shared. I know she is up there listening to that incredible band in the rock and roll heaven!*
