“ Mom-

Thank you for ALL you have done for me and our family. We have such good memories to reflect upon at this difficult time. And although you have left us to begin your next journey with the Lord, I know you will be looking down and placing your hands on us during difficult times, as well as join in with us during life's celebrations. You have been such an inspiration to me, and provided an excellent example of a loving mother's touch, in both your words and actions. Always together sharing life's moments, even until your last breath, I treasure your unconditional love and support. I hope I made you proud, in all you tried to instill in me. I will always love you and YOU will never be forgotten! We will all continue to celebrate YOU, and those cherished memories you have left behind. Our ❤️ are with you ALWAYS !
