“ My parents Jerry and Alma Stypinski (then Alma Stellwag) knew Fred in high school and from Fred and my dad both playing for the Grayhounds football club. I'm sure they met Elaine when the guys came back from WW2. My mom also worked at the Metal Company for a short time during the war until the machine she was operating cut off the tip of a finger!

“ Dear Retzko family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
