“ Mom,

This candle is called rose. How fitting for you. I'm having coffee and cake, and it reminds me so much of you. You refused to drink coffee without "something sweet". You would make that face where you scrunched up your nose. I will never forget all of your facial expressions because I see them everyday in the mirror. My heart physically hurts as it feels like a piece of it got ripped out a few days ago. Did you ever know Dad called me "Betty Junior"? All the Henderson girls are so much like you.

You are forever in my heart 💜. I love you.

*Your loving daughter,
Sherry aka "Bird", "Sissy"*
