“ I remember back then that my family and I used to enjoy going to the Pocono's with Aunt Nancy, Uncle Chip and cousin Chip. It was fun staying in the cabin and go snow tubing. Also, there was a song that he liked called, "Tell Me Why" by the Four Aces and he used to sing that song a lot while we stayed. Now, every time I hear that song, I will think of him. I love you so much, Uncle Chip! I'll miss you but you'll never be forgotten.

“ Dear Nancy, Words are so inadequate. I cannot find those that will comfort you. My heart is full of sorrow for your pain, and that of Chipper's, and the rest of the family. Chip will live on in your hearts and minds, especially, as your grandchild comes into this world, a boundless joy that will engulf your whole world and bring you peace. “ Nancy, you have my deepest sympathies. One of the good guys left us too soon. Chip put up a brave fight with you by his side every step of the way. Know that Chip will be greatly missed. And keep your eye on little Chip. I admired the close relationship the two Chips had together, so big hugs will be needed. Take good care and remember that God loves fisherman. John Bogan.

“ We remember Chip for the great person, husband and father that he was. On a personal note, we will always remember our soccer adventures, especially the “towel” incident at the hotel overnight in Lancaster and the trip to Trinidad.
