“ *Daddy,*

I am grateful for the times we had, and the opportunity I was given to get to know you. I am grateful that we were able to hug one more time, and that you were able to go on knowing that all was forgiven, in peace the way it should be.

I only wish I'd had more time - but I suppose there never is enough time. I love you, you are always in my heart. You were in so much pain, both internal and external, I am glad that you are finally free from all of that.

Always your little princess,

Stephanie

I just inform him that due to distance it is going to be quite a while. I am sorry that we never see each other since 1980. AUNTIE AND i WILL BE PRAYING FOR YOU.
