“ *I have a heavy heart with your passing but am so comforted by warm loving memories of you. I can still smell uncle Eddie's pipe and popcorn on the fire. The beautiful Christmas trees and village with Ivory Snow shimmering in the lights. Fireworks in Phili, fossils in Pa, warm cozy visits. Our last visit was even more special to me and I left with a heart filled much more than usual. You lead a good full life, giving kindness and love. You will be missed and celebrated Aunt Florence. I can feel you holding my hand. Peace and love, Kerry*
