“ *I will miss Uncle Frank's kind spirit and warm smile...always smiling! I have so many fond memories, but one of my favorites is the time he visited Jesse's Middle School class (2007) to talk about his experience in World War II. He shared his adventures and answered many questions from the students. He was enjoying it so much, that he decided to stay for several class periods. The students were captivated with him and definitely saw him as a hero and role model. Every class even posed with him for a picture! God bless you Uncle Frank, your spirit lives on in many hearts. Love, Michele*
