“ *Frank was a kind gentle giant who was one of a kind. Frank had a story for every occasion from sports, religion or simple every day situations. One story I remember he told was when he was picking up a cinderblock out of the roadway on I-95 to help other motorist and got hit. This would be fatal to most people but Frank. He was the strongest man mentally and physically I have ever met. He definitely had an impact on me even after not seeing him for years. My thoughts and prayers are with Kay and his family at this time of sorrow. -----David T. Gross (I worked with Frank @Pennsauken)*
