“ G money is what I named her bc she always came thru! Her word and her loyalty is unmatched! Over the last 10/11 years I don't think we have gone 3 days without texting or speaking and 8 of those years we worked side by side with each other in 2 stores! G was a superhero to me she could throw trucks like a dude and help you saved money like an accountant all at the same time! I felt rich as a person bc I knew I had a friend that I never had to question and that would always be there for me and vice versa! We snap on each other lml argue cry and hung out like we were blood related! We spent days in hospitals together making sure each other was good and protected each other in a work place that was as grimy as it is fake!! I miss her so much It still has not hit me! I still text her everyday on instagram waiting for a response that will never come!!! This world and all that ever met her was better for it! Heaven is even more special bc she is there now!! Until next time G money protect us from Heaven like you always did while on earth!!!

“ *So much going through my head right now, and I frankly can't figure out what feel worse; receiving the horrible news of your passing or realizing that I will never get the chance again to reminisce, laugh, joke, and share our problems of the week with each other. I love you, Geegee. I really hope you know that. You broke my heart today but God knows best. Rest in peace, Love.*

“ I do not have words to express how I felt and still feel about you because I am lost right now, you left with no words, us not knowing what was wrong. I love you even in your passing, this is hard but I won't stop. just looking at the pictures have me in tears. But no more screaming because you shifted. I want to lift you to the sky because you deserve to go with love, light and joy. Don't forget to keep smiling and keep them laughing with those jokes up there. Rest in Power, Light, Love and peace....

Gerdine was a devoted member of our group Temoins du Christ of St Jerome. I am still picturing her sitting in the back of the room during meetings, always quiet and blunt. She was one of the most polite and respectful person in our group. Gè, you will always be remembered by your peers for your kindness and your soft beautiful voice . The Angels 🙏 are rejoicing for having gained another real Angel. We love you and your memories will stay in our hearts 💕💕💕💕 forever. May your beautiful soul ✨ rest in eternal peace 🙏🙏

“ Words cannot express how much we missed you and how much you are loved. Gerdine exemplified the best qualities of a true leader. She was dedicated mother to her son Gian; he keep asking me when are you coming home?? I told him you are in a better place now. I know the Heavenly Father is in control all the times but sometimes I asked myself why is he taking all the good ones.....
