“ *To my beautiful son in heaven,*

*There hasn't been a day since you've been gone that I have not thought about you. I think about the last and only time I held you. I think about how beautiful and peaceful you looked. I wonder how your laugh would've sounded or how your voice would've called me mommy. My life, though the world never stops, feels empty without you. Its a ever present hole in my heart that will never heal.*

*I love you so much more than you will ever know and for that I am sorry.*

*Mommy*

*Be assured of prayers and God's love at this time. No one knows why Giovanni was called back to God so soon but even though your loss cuts deep, your son brought love into the world. Keep his legacy of love in your hearts and family always. God bless!*
