“ *In memory of a beautiful lady, Gladys Blanco. We are so grateful that we were able be friends with Gladys. She loved children and often would share her stories of taking care of the little ones and teaching them Spanish. You could always find her on the sidelines of the soccer games watching her husband referee and handing out snacks, rain or shine. Gladys was so proud of her family and loved to share stories of her talented grandchildren. She has touched so many lives and we are blessed that she touched ours. We know that she is in a better place now with the angels in heaven....Mary and Ray Bavi*

“ We were fortunate enough to have Gladys "Nana" watch our son Dan from age 6 months to 4 years old. She loved Dan just like he was her son or grandson and for that we are forever grateful. She would always have bananas for him because as she would say, "My Daniel loves his bananas." Nana will always have a special place in our hearts and we will always remember her.

“ Rudy- Words cannot alleviate the pain you must be feeling. Know that you and Gladys are in my family's thoughts. I remember long ago, in one of my first tournaments at Ft. Dix, working with you and Gladys being there the entire day, watching her husband working. Though I did not know her that well, I believe what I saw that day showed how dear and close your relationship was.

May the words and love of friends and family show help you through this difficult time.

“ Rudy--so sorry to hear of Gladys's death. I must tell you that both my wife and I have fond memories of her because back in the day when I was the Soccer Assignor and we had to do so much of the assigning by telephone, she was one of the very, very few wives who was so pleasant when she took the messages for you. My wife, who helped me with the phone calls, often remarked how pleasant and helpful she was--a bright, shining contrast to many of the other wives.

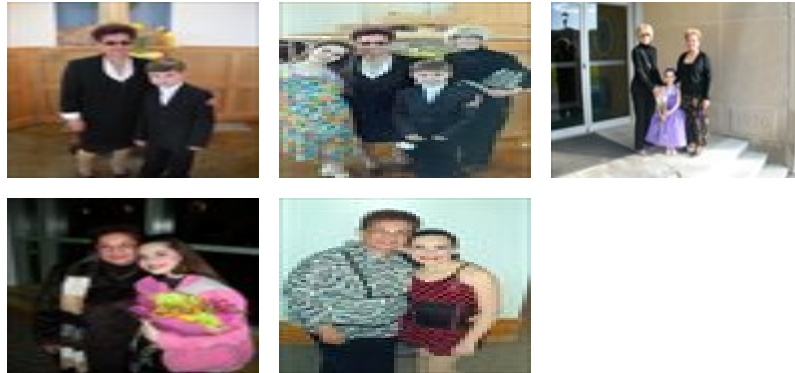

Please accept our condolences during this difficult time-----Bob and Joan Shaffer
