The news of his passing was such a shock.

I will always remember his wonderful smile and welcoming manner when coming into the bakery.

Watched him grow up from a beautiful child into a caring husband and father.

The neighborhood is less bright with his leaving, but the stars in heaven shine brighter for his being there.

Love to all of his family.

Beautiful video!! Thanks for sharing so many of the families adventures. Glenn will be greatly missed but fondly remembered. He truly embraced his many blessings and shared them with so many. “ Our deepest condolences to the Haegele family. Glen will be greatly missed by many. He was truly a good man and a man of strong faith. He was kind, generous, humble, strong, and had a good sense of humor. All of us who knew Glen are better off for having known him. It was always a pleasure to be in his company. He has departed this life far too soon . Our hearts go out to Cheryl and sons Joshua, Aaron and Eli and to his mother and father. May they take comfort in each other and the beautiful family Glen and Cheryl created. They were blessed to have him as husband, father and son and we are blessed to have known him. We can all take comfort and find peace in knowing where Glen is; with his Heavenly Father.

“ *Our sincere condolences to Cheryl, Rich, Jean, Joshua, Aaron, and Eli. It is difficult to explain or accept the loss of a young man who embodied and represented all of the values that we so admire and which are so needed in today's world — love, kindness, honesty, faith, strong work ethic, and devotion to family and friends. Glen was a loving husband and father, and a devoted son; he was a respected leader and pillar in the community, and hard working bakery owner who was adored by his customers, and he did it all with his trademark gentle smile.*

Glen will be so deeply missed by all who were blessed to have known him, but his character and kindness will live on in our hearts, and his values and work ethic will live on and be a shining example to his sons in everything that they do. We mourn for the loss of a special man who was taken too young, but we celebrate the blessings to have had the opportunity to be around him, to learn from him, and love him. Glen, you were a great man and a great person. You were a Haegele.

“ Words just can't describe the heartache and sadness that we have felt since hearing of Glen's passing. Glen was one of the kindest and most compassionate and servant-minded men that we have ever known. One thing that we will always remember from our time at FUMC was how he would always go out of his way or stop what he was doing to come and talk to our son, Kenny, who is developmentally disabled. Glen always made Kenny feel welcomed and loved in Sunday School and at church events and that meant so much to us as a family. Cheryl and family - we are lifting you up in prayer and although we can't comprehend the timing, we rejoice in knowing that Glen is with his Lord and Savior and we can almost hear Jesus as he tells him "Well done my good and faithful servant". “ Oh, dear ever smiling Glen & always the gentleman. Last time I saw you in the fall, we had to send hugs to each other through the bakery door. But the whole family was smiling and working together. We so enjoyed watching you and our coaching the boys, Nate and Eli, in their many years of baseball. I always enjoyed seeing you and the family together at church. The memories of you all being there will stay with them, as that created special times. We personally know that special family memory will be sad for a while but warming as time passes.

You will be sadly missed. P.s.- thanks for the cream donuts!

“ Glen was a wonderful man who actually lived the christian life as a role model to all of us! He was kind and generous - always with a smile on his face and a laugh bubbling to the surface. You, Glen and the boys epitomize the life we should all be trying to emulate as kind and caring people- always willing to help others above yourselves. You are all truly missed at FUMC.

“ Dear Cheryl, Joshua, Aaron and Elijah

There are no words that adequately express my deepest heartbreak and sadness for your great loss. I will always have fond memories of Glen whose infectious laugh brought much joy to so many people. All his goodies he brought to the church office were devoured in minutes. I'll never forget the beautiful gingerbread house he brought to the church office during one Christmas season. It was so beautiful that no one was 'allowed' to eat it. We finally did start to nip away at the work of art so beautifully crafted. We would always joke on the week it was his turn to read scripture because without a doubt it would be super long and have names and places he could never pronounce. I could not look him in the eye when he read or else we would both crack up laughing!

I thought the world of Glen -- and Cheryl, you are one of the finest women I've ever met. I literally watched your three boys grow up to be three wonderful young men, for which I know you and Glen are so proud of.

I'm so sorry this happened and I know you will find comfort in all the years of gathered memories you had together.

You have a lot of loving friends and family who will be there for you and your boys, so please know I am here should you need anything - and I mean anything.

With an aching heart and so much love,,

Your friend and sister in Christ
