“ *Mom, It's not even 24 hours since you passed and we miss you so. The first time you met me you said "oh my God, your eyes are so big"! You loved me from the first time you met me. You always fed us good food and loved when we came to visit you. For the most part, you like some of my cooking and if you didn't like it, you really let me know. We all joke that I am the princess daughter-in-law and that is how I will always remember it. I am your princess. I love you and will always keep you in my heart.*
