“ *I will never forget you Aunt Gwen! I kept trying to get back to Jersey to see you. To see all of you. I've missed you all so much. I love you!!! I miss you. I will treasure my childhood and adulthood. Treasure every moment I spent with you. “ *I remember when I first met Gwen. She was only 3 years older than me but I always looked up to her. She was so bright, positive, funny, and warm. She would light up a room the minute she walked in. I had many great talks with her that most of you probably didn't know. She gave me a lot of confidence in myself that I never realized was within me. You are now an angel watching out for us. You will be missed. Rip my dear Gwen.*
