

Hannelore Z. Goodwin

January 18, 1939 - June 11, 2015

Reverend Hannelore Z. Goodwin (nee Zodrow) of Warrington, PA, passed away peacefully, surrounded by family, on June 11, 2015. She was born on January 18th, 1939 in Essen, Germany to Else and Albert Zodrow.

Hannelore was a loving mother of David B. McVaugh, Theresa M. Goggin-Roberts, and Michael A. McVaugh, grandmother of Megan, Sean, and Lauren McVaugh, Frank and Sarah Goggin, and Mary, Ann, Rose, and Albert McVaugh, and a great-grandmother of Kaelyn, Meah, and Layla.

Hannelore grew up in Germany and immigrated to the United States, along with her parents in 1957. She met and married William A. McVaugh in 1960, while working at U.S Steel, moved to the Holmesburg section of Philadelphia, and then to Cinnaminson, New Jersey. William predeceased her in 1985.

Reverend Hannelore received her Masters Degree in Metaphysical Science and dedicated her life to helping others achieve their highest spiritual potential. In 1995, she founded Circle of Miracles, a non-denominational church where she continued to be a driving force up until her passing. Each week at Circle of Miracles Reverend Hannelore invited everyone to unfold their spirituality in a joyful, serene and accepting atmosphere. In 2000, Reverend Hannelore founded Circle of Miracles Ministry School. Since then, the school has graduated nearly 150 Interfaith Ministers. Both the church and Ministry School are located in New Britain, PA.

Reverend Hannelore's gentle wisdom, and compassionate approach made her a popular teacher. After studying the Usui Reiki System of Natural Healing

with one of the original Reiki teachers in the United States (Master Rev. Beth Gray), Hannelore taught Reiki at Bucks County Community College and Circle Of Miracles, as well as Holy Family College, Life Spectrums, and various schools and therapies' centers.

Hannelore was preceded in death by her parents Else and Albert Zodrow, her brother Horst Zodrow, and sisters Ilse Siekmann, and Ruth Siekmann.

Hannelore was the beloved wife of thirty years of the late Reverend Robert E. Goodwin, her second husband.

Relatives and friends are invited to attend Hannelore's Life Celebration Service at Doylestown United Methodist Church (320 East Swamp Rd, Doylestown, PA 18901), on Saturday, July 25th, 2015 at 9:30AM. Hannelore will be interred at a later date in a private ceremony at Washington Crossing National Cemetery.

In lieu of flowers, donations in Hannelore's name may be made to Circle of Miracles, 10 Beulah Road, New Britain, PA 18901.

“ *I did all my Reiki training with Hannilore and she was magnificent. Her zest for life and her stories , her understanding, kindness, gentleness tempered with a firm will fascinated me. I idolized her and adored her ... it makes me laugh to remember telling her I was afraid to teach and I worried that I would be good at it and she told me just to do it ...that she taught me and now " I had to put it to use and not to think about it, to just to say I'm going to do it, to know you can do it" and I did. She was my sensei. I am so grateful for the role she played in my life and her name will live on with every student I teach in our Reiki lineage . May her soul fly free and her adventures continue in the infinite.*

I'm so sad to hear the news but there is no doubt that her spirit is in a beautiful place! Her guidance and love will be passed down for eternity!*

I am so grateful to have met her and to have been in her presence. A generous, warm, and giving woman. The first Reiki class I attended with her changed my life. She touched so many lives. “ *I was saddened to learn of Hannalore's passing. Hannalore was a bright, warm, and beautiful spirit--the likes of which are sorely needed. She helped to guide others to their own truth, and that legacy will continue on in those she helped, no doubt. The earth has lost a treasure. I was blessed to have known her. My deepest condolences to her loved ones and family. May she go forth shining!!*

“ *Hannelore always had time to share a greeting with me. I always had an experience of being valued and that I mattered. I have since come to realize that many had this experience with her. Part of her generous nature was that she gave time and focus to the person and never put herself in the way of the communication. She had a quiet light and way about her that masked the real sense of power within her. Do I miss her? Of course - but I know she is very well and that she did her work here and had a real longing to go home. I feel that I was very fortunate to know her and to interact with her to the extent that I did - and I really got that she loved me. She was a real friend and she is still with anyone who wishes to know her presence. c.*

“ Dear Teri and family of Hannelore, Rob and I were saddened to hear of Hannelore's passing. Our lives have been so enriched through the love and support she showed us over the years since our meeting in 1999. She shared herself with us in a sincere way that we felt empowered and were honored when she asked us to help her create the ministry school. What an amazing journey we all took together! Through her love, foresight and determination her legacy will continue into the future touching the hearts, minds and spirits of unknown seekers who will find their way to the Circle of Miracles ministers. Wishing you peace and consolation in this difficult time. Rob and JoEllen

“ *I first attended Circle and met Hannalore at her lovely home in Wycome. Some time had past when I attended Circle at its current location and she had remembered me by name. She was so kind and loving and always had encouraging words. I know she is soaring as an Angel. My heart felt sympathy to her family. Sincerely Brenda Koller*

“ *I am not a part of Hannelore's Reiki family nor her Circle family, but on behalf of the Anastasi family from Glenloch Street, we remember her as our lovely babysitter, newly immigrated from Germany, back in the 1950's. We lost touch, but the memories have never faded. Your beautiful smile lives on as does your warm, loving spirit. Hannelore touched many lives, and Circle will live on in memorium to her vision. She will be missed by many. Valerie (Koller), Diane (Alexeev) and Judy Anastasi. With sympathy and love to the McVaugh, Siekman and Zodrow families. A candle is being lit in Hannnelore's memory. “ *Hannelore was my Reiki I teacher and was instrumental in my first steps on my journey. She was a pillar in the spiritual community. Any time someone spoke about Reiki and whom to take classes from, her name instantly came to mind. :) May her family find comfort in knowing how positively she affected so many. Rest in peace Hannelore. You will be greatly missed. Until we meet again...*

“ I attended quite a few events at Rev. Hannelore Goodwin’s Circle Of Miracles Church, always feeling warm and welcomed. While at one of those events in 2011, she was at the podium speaking and I was guided to take a picture. This is what developed, but I didn’t know it until I got it home. I sent Hannelore a copy of this for her memory book and she loved it. It is now part of our memory book of Hannelore’s goodness and we know she was always guided by Spirit. Heaven has now added another bright and beautiful star to shine down on us (and she probably has little bars of chocolate tucked in her pocket). I have posted a picture in the photo album attached to this memorial page. There are 3 Spirit orbs of various sizes in this picture (see arrows). A huge one is over the mirror, one on her left shoulder and one near the flower pot at the right and, of course, she is wearing her symbolic butterfly pin. Respectfully and with gratitude, Linda M. “ Hannelore was the kind of person that upon meeting for the 1st time, you knew you were in the presence of an Angel. Her warmth, kindness, compassion , love and beautiful spirit just shined. She may not have been aware of the miracles she performed through her work while here on Earth but most certainly will be doing the same from Heaven. I am sure there was a chorus of Angels welcoming her home.

“ Our prayers are with you. My son Brendan, now 21, was 14 years old when he took his first Reiki class with Hannelore. It was so important to him then to continue though to level 3 Practitioner while "the Master was still teaching", he said. Hannelore touched many souls in many ways. “ Hannelore and Bob's Reiki training enabled me to share healing warmth and energy with my dear cat in his last months of life, many years ago. I can see my Rusty now, trotting over the Rainbow Bridge, with a big purr to greet Hannelore as she crossed to the other side. With many thanks and good memories from bipeds and quadrupeds alike. “ Hannelore and Bob were two of the most gracious people I have had the honor of knowing. Although it has been quite some time since I enrolled in Reiki I, Reiki II, other courses, and participated in Reiki shares, their generosity and kindness will always remain in my memories. I consider myself fortunate to have been in their company. God Bless, Janet Tucker
