“ *Dear Bob, Bobby and TJ,
I am truly sorry to hear about your loss. Your wife/mother was a great woman and she will be truly missed and will always be remembered. I had the pleasure of working with Helen for years. She was the book of knowledge at work that I always relied when I didn't know the answer and despite all of the questions she never hesitated to help. She constantly talked about all of you; her yearly vacations with Bob and the friends they met while there, Bobby and TJ and what was going on in their lives and how proud she was of them and her visits with her family. What I will remember most was her kindness and her love for her family, life and of course chocolate.
Wishing all of you peace to bring comfort and the courage to face the days ahead and loving memories to forever hold in your hearts.
With heartfelt condolences,
Julie Durham*
