“ *Mrs. Laich was a wonderful, caring friend. She always took the time to sit with me when I needed someone to talk to, or some time I needed to escape from others. She loved her children and grandchildren so much and always shared many memories of them with me. Sadly I hadn't spoke to her in a few years, but thought of her often. I don't know if she realized how much she meant to me, but she will always be a part of my heart. She will be missed greatly by many. She is once again with her loving husband.*
