“Hermie” was one of my favorite cousins. Being 12 years younger, I was not a big part of his life very much when we were young. However, he spent many days on our fruit farm in Leola, PA with my older siblings. In recent years we have enjoyed talking about “the good old days” in the country, enjoying the simple life. Cousin Hermie was full of love and kindness. I enjoyed his adventurous spirit and giving ways. His smile and laughter will always remain. In my memory. I love Hermie and will miss our enjoyable, long conversations. Look forward to seeing him soon again in our eternal home.

“ *The true definition of “kind” was my Uncle Herman. A gentleman in every sense of the word. An amazing story teller. Most of all, he showed us all what true love looks like. His love for Aunt Ann was an amazing gift to us all! In heavens glow, may the angels greet him. May we all live a little like him! Hug Aunt Ann for us. Your memory, and love story will live in the hearts of us all.*
