“ I knew Hernando for over 20 years and shared a lot of laughs every time he came into the dealership. He had a huge smile and we always spoke about cars and most of all his kids and mine. I will miss seeing him and talking with him. He would always greet me with a hand shake and a " how's my buddy ". While there is nothing I can say to heal the pain his family feels I truly believe Hernando is resting now in God's heavenly kingdom. Rest in peace Hernando, my buddy.
