“ *I am so sorry for your loss -- not sure if you remember me -- [Joyce Kipp] but I just learned of Aunt Hilda's passing and am so very sad - - what great times growing up we had together -- knowing that we would be coming over to visit -- Aunt Hilda and my mother were the best of friends growing up - so we would visit and eat the great food that she would make . Years have gone by without seeing each other but I know my mother still wanted to be sure to connect somehow - my mother has declined so with age. So I will pray for you Uncle Arthur and also for Nancy and Susan and hope that your sorry will be comforted with the comfort that only God can give .*
