“ *I was very sad to see June's obituary in the paper today. The picture of her in the paper is exactly how I remember her. I was the manager of the admission dept at west jersey hospital from late 80's to early 90's before I moved away. June was a savior many times when we were short handed and I'd need to call her in. June was the oldest of the staff at the time but she was a peppy little lady. I never met her husband Horace but she spoke about him a lot, so I felt like I knew him too. June was a sweet pleasant person to be around. Makes me smile when I think back to working with her. I will keep them both in my prayers. When someone you love becomes a memory the memory becomes a treasure.*
