“ *Great memories of visiting in the kitchen while growing up. I enjoyed her cooking and made sure I had time to talk when visiting. Mostly, I remember a women that could not be held back. She was always a bundle of energy and encouragement. I have many fond memories with Irene at The Phillies games. Thank you for the example that you were.*

I can hear Harry Kalas announcing her arrival!

“ Steve and Alan I'm so sorry for you loss. I miss aunt Irene already. Aunt Irene always came to every event she was ever invited to and she would always bring fresh baked goodies for us to enjoy. Aunt Irene loved loved loved the Phillies and Coffee! If she wasn't at a game she was watching one and during off season she would sometimes watch games she had recorded and there was never a moment when a hot pot of coffee wasn't available along with flavored creamer!! I always loved aunt Irene's gorgeous head of red hair -I thought she was born with it and figured it ran in the family - so many many years ago- I dyed my hair red just like hers. It didn't last long but while I had it I was sitting with aunt Del, aunt Irene and aunt Rita at a party and they asked why I changed my hair and when I told them they told me that she was not born with red hair - aunt Irene just giggled and we ALL had a hilarious laugh over it!!!! While loss is so sad I know aunt Irene is at peace in heaven happy and having a ball with Harry K and all the Phillies that have passed. Love, Sunshine
