“ I've had the honor of working alongside Jim the past few years at Rowan. He was a character, to say the least! He had a way with words, but I always appreciated his honesty, his dedication and "get it done" attitude. Jim always treated me with respect, and he was one of those few in life that I could say, "Jim was Good People". He will be missed.

*My thoughts and prayers go out to his family and friends.
Goodspeed, Jim!*

“ I had the privilege of working alongside Jim sporadically over the past ten years, first at Jefferson and then at Rowan. He was a truly great person, kind, genuine, and incredibly funny. He had a rare gift for bringing joy into every room he entered, and he could always make people laugh, even on the hardest days. Working with him made our days brighter, and his presence made our workplace feel like a community. He will be deeply missed, but the laughter, happiness, and good memories he gave us will stay with us forever.

I am so sorry for your loss. We all loved Jim at the Facilities office at Rowan. He kept us laughing with his great sense of humor and inspired us with his positive outlook. He always came by my office for a piece of candy, which resulted in some laughs and good conversation! There is a deep void in our office without him; he is missed and loved by all of us.
