“ *Dear Diane,*

I have so many nice memories of your parents. Your Mom used to drive us to grammar school, she was so funny, you never knew what she would come out with next! Your dad was great.

Remember, he drove us to CCD classes in his truck on Saturday mornings?

I didn't know about your Mom passing away last year until today when I found out about your dad. I am so sorry for your extreme loss. I'll keep you in my thoughts and prayers!

“ I worked with Jim at Binnion/Tozour Trane for many years. I started in 1979 and, of course, Jim was already a legend at Trane. As a young salesman I appreciated Jim's knowledge of equipment and systems. And when I made a mistake, he was always there to let me know about it and make sure that I never repeated it! I left NJ in 1992 to continue my career with Trane and I still tell Jim Chiolino stories. He was a great man and influenced many more people than you could imagine. May God be with you in this time of loss.
